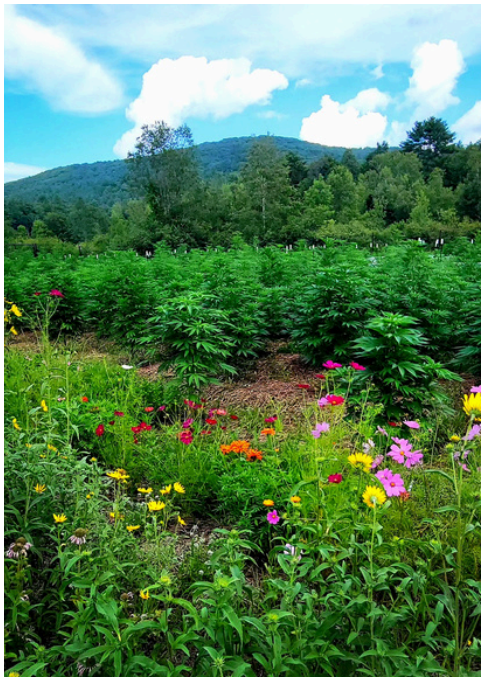
BIRDLAND

FARM TO FRIEND CANNABIS

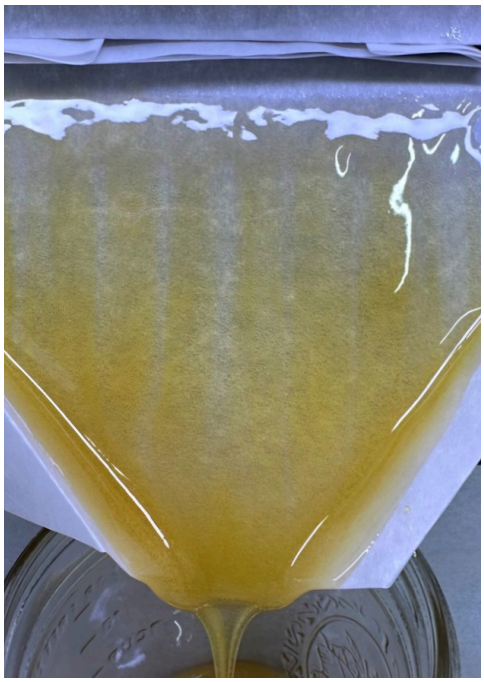
Native Soil - Sun-Grown - Regenerative



LIVE ROSIN CARTS

0.5 g

Our live rosin is crafted from whole plants frozen fresh at the time of harvest. Our friends at Stone Leaf then apply water, pressure, heat, and that's it! No solvents, no added terpenes, just the plant - pure and simple.



blueberry afghani — LIMITED QUANTITY!

THC: 70.0%
TAC: 75.3%
